OUR BRAND / OUR VALUES / OUR IDENTITY

2020

BRAND INTRODUCTION

RIITS Metal Craft is an interior and exterior metal solutions company established in 2020, delivering reliable and well-crafted solutions for both residential and commercial spaces.

From SS & MS gates, grills and railings to roofing sheds, elevation façade works, ACP, toughened glass and aluminium glazing, RIITS Metal Craft combines practical functionality with modern design and quality workmanship.

The brand was founded with a clear purpose — to transform metal from a basic structural material into a refined part of the space. With a focus on precision, durability, craftsmanship and customer requirements, RIITS Metal Craft aims to create solutions that are built to perform and designed to last.

VISION & MISSION

Our Vision

To become a trusted and leading name in metal craftsmanship by delivering innovative, durable and aesthetically refined interior and exterior solutions.

Our Mission

To provide high-quality metal fabrication and architectural solutions with precision, reliability and professional workmanship, while creating lasting value for every residential and commercial project.
